

Dear Potential Sponsor,

Everyone has a story. We have all been through struggles in our lives; some lasting longer than others. For the women of the Narrow Road Home, their struggles have been crippling. From depression to abuse to addictions; their lives finally reached the point where they said, “Enough! I can’t live like this anymore.” It takes a lot of courage to reach out for help when you have reached rock bottom, and we at the Narrow Road want to honor these courageous women by accepting them into the program based on their determination, and not on their finances.

We are in need of funds to assist with operating costs for the Narrow Road Home and to provide more beds for women in need. The Narrow Road Home has been operating for over two years and the success rate has been phenomenal! It is so exciting to watch the lost and hurting women come into the house and begin to heal and rebuild their lives. We don’t want them to just “get by” in life; we want to see them thrive! The women that successfully complete the program also have the opportunity to stay and work at the house; passing on their hope and passion to other women coming into the program. We have seen that the transformation of even one woman’s life can powerfully impact her family, her community, and generations to come.

Sponsorship is a monthly financial commitment and one of the many ways you can help the women who come to the Narrow Road. Many women do not have the means to pay for our program, but we want to help them heal. Your contribution will help with utilities, groceries, staff wages and recreational activities. It is exciting to watch the women grow and begin to fulfill God’s purpose in their lives!

Thank you for your consideration of sponsorship,

Blessings,

Kimberley Engbrecht (Nee Courtney)
